

Dear Neal,

I wholeheartedly endorse Ryan Partridge for the VP of Corporate Accounts position for the HME division. During our three-year tenure at McKesson, I worked closely with Ryan on many respiratory projects. Despite his newcomer status in the industry, Ryan was eager to learn about Respiratory products and worked tirelessly with me on the Respiratory launch. I personally witnessed his thoughtfulness in strategizing and executing plans, requesting weekly calls to discuss his district and how we can assist his reps in increasing their respiratory market share.

Ryan exemplifies a true team player who leads by example and is always willing to lend a helping hand. Under his leadership, the Corporate account team is poised to soar to new heights of growth and success.

Please do not hesitate to contact me if you require any further information.

Sincerely,

Patty
